Dear Parent / Guardian,

This year, our traditional Sports Day event is going to be a little different. Each year group will be designated a specific day over the course of a "Sports Week" for their own Sports Day. The timetable for all year groups has been copied into this post.

On their Sports Day, pupils should wear their tracksuit / shorts and bring a hat, sun cream and a bottle of water. Unfortunately, we cannot welcome any parents / guardians into the school this year for Sports Day, again due to the ongoing restrictions. Fingers crossed the weather remains in our favour as we move into next week.

Kind Regards,
Mr McDonnell
